

Find a useful starting point

Find the Right Starting Point | Offering support

"What is the hardest part for you right now?"

Use these prompts for your own preparation. Leave out identifying details you do not need.

My child's experience to check

Their understanding of the problem

An assumption I need to revisit

A useful perspective or resource

The direction of the next step

Prompts are starting points to adapt. This is not an assessment or a promise of a particular response.
